About Me

Hello! My name is Edward Deakin. I am 16 years old and I live in Warwickshire, England. I have had a keen interest in all things technological since a very young age. This was developed further after being introduced to advanced coding (ASP.NET in a Visual Studio environment) by an older relative.

Education

I am currently in Year 11 taking 9 GCSEs including:

- English Language
- English Literature
- Combined Science: Trilogy (worth 2 GCSEs)
- Maths
- Statistics
- Geography
- History
- Computer Science

I am on track to pass all subjects at Grade 5 or higher. My target grade for Computer Science is a grade 7, but I am currently working towards and confidently aiming for a 9 in Summer 2024.

Skills

- Three years' experience developing with Node.JS
- Two years' experience developing with Python
 - This is part of my OCR Computer Science course
- One year's experience developing with HTML, CSS and JS
 - I developed PlatformPredict which is a train platform prediction web application: platformpredict.co.uk
- Experience with interfacing and developing with Linux infrastructures
