About Me

Hello! My name is Edward Deakin. I am 15 years old and I live in Warwickshire, England. I have had a keen interest in all things technological since a very young age. This was developed further after being introduced to advanced coding (ASP.NET in a Visual Studio environment) by an older relative.

Education

I am currently Year 11 taking a total of 8 GCSEs including:

- AQA English Literature and Language
- Edexcel Maths (Higher)
- AQA Combined Science (Higher)
- Edexcel Geography (B)
- Edexcel History
- OCR Computer Science

I am on track to pass all of my subjects at a Grade 5 or higher. My predicted grade for Computer Science is a Grade 9, and I am confidently aiming for a Grade 9 in Summer 2024.

Skills

- Two years experience working with Node.JS projects and environments
- One years experience working with Python projects, classwork and Raspberry Pi Pico microcontrollers
- Expertise in developing interactional bots using the Discord API
- Experience with navigating and developing with Linux infrastructures

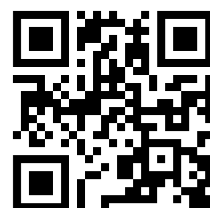

Achievements

- Got the role as a DevRel at a new and upcoming hosting company (Zerops)
- Made my website using the Bulma CSS framework using an Express.JS backbone server
