## About Me

Hello! My name is Edward Deakin. I am 15 years old and I live in Warwickshire, England. I have had a keen interest in all things technological since a very young age. This was developed further after being introduced to advanced coding (ASP.NET in a Visual Studio environment) by an older relative.

## Education

I am currently in Year 10 taking 8 GCSEs including:

- AQA English Literature
- AQA English Language
- Edexcel Maths
- AQA Combined Science
- Edexcel Geography
- Edexcel History
- OCR Computer Science

I am on track to pass all subjects at Grade 5 or higher. My target grade for Computer Science is a grade 7, but I am currently working towards an 8 and confidently aiming for a 9 in Summer 2024.

I am also enrolled in Github's Global Campus allowing me to explore more coding with access to lessons and other educational assistance.

## Skills

- Two years' experience developing with Node.JS
- One year's experience developing with Python
  - This is part of my OCR Computer Science course
- Expertise in developing interactional bots with Discord.JS
  - Discord.JS is a wrapper for the Discord API
- Experience with interfacing and developing with Linux infrastructures
